Why be a Sponsor?

There are three good reasons to be a Car Club Sponsor:

1. to acknowledge hard work and craftsmanship
2. to give back to the community and to those in need
3. to promote your business

How It Works:

TROPHIES—part of your sponsorship fee is used to purchase three trophies. On your designated night you will be asked to chose your three favorites from among the classic cars present. You may present the owners of these cars with a "Best of Show" trophy.

ADVERTISING—on your designated night, in addition to having your name on the trophies, we ask that you supply us with your business cards, business flyers, postcards, magnets, coupons—whatever! We will give them to EVERY car that comes through the gate. And remember: it doesn't need to be a car related business or product! These folks all have jobs, families, friends, homes, pets and other hobbies that could benefit from your products and services.

In addition, your business will be mentioned throughout the night and will be advertised in our monthly newsletter.

WEBSITE—we have one—do you? If you do we will put a link from our website to yours. If you don't have a website we will advertise your business on our website. We'll create a page or two to let our viewers know who you are, what you do, where you are and how to contact you.
We're a good group of people having a good time and doing good things for our community in the process. We started our club in 2004. We're in our seventh cruising season and getting bigger and better every year. We are regular folks just like you. We have jobs & spouses, children & grandchildren and a passion for cars & helping others.

Our members spend much of their precious free time and energy turning forgotten relics into works of art. These folks then donate more of their time and energy to organizing a weekly cruise night, with their beautiful cars as the focal point. We encourage others to join us and show off their hard work and artistry. We use these weekly cruise nights as a chance to acknowledge their hard work by awarding trophies and we use the opportunity to raise money for numerous charitable causes.
